SUMMARY:

Full stack developer with expertise in front-end and back-end development , strong foundation of Object Oriented programming concepts.

TECHNICAL SKILLS:

- **Frontend** - React, JavaScript, HTML, CSS
- **Backend** - JSP Servlet, PHP
- **Database** - mySql
- **Programming languages** – C, C++, Java, Python, C#

PROJECTS:

Leave Application (LeaveApp) – Student Leave Management System

- Built a Web Application in HTML, CSS, JavaScript, which includes a user-friendly Interface. Using Tailwind css with Flowbite which makes leaveapp aesthetic. Streamlines the leave request process, and provides updates for users.
- Collaborated with diverse teams to gather requirements and implement changes effectively, ensuring the application meets the needs of both end-users and stakeholders.
- Implemented secure email verification functionality for users who forget their passwords, enhancing credential recovery for improved user security.

Pharmacy shop Application (pharmashope) – Pharmacy Store Management System

- PharmaShope is a user-friendly Stand alone software designed for efficient management of medicine stock, customer information, and a seamless billing system. This software streamlines inventory control, customer interactions, and sales transactions, enhancing overall operational efficiency for pharmacies and drugstores

Bus Reservation – Bus Reservation Management System

- Developed using C#.Net and mySql, Bus reservation system is a comprehensive and efficient solution for managing bus ticket reservations. This system provides a user-friendly interface for customers to book bus tickets, manage reservations.
- Customers can book tickets conveniently and manage their reservations It allows bus operators to manage and update schedules. The system incorporates an admin panel for administrators to ensures secure access and control over system operations

LICENSES & CERTIFICATIONS:

C programing certificate - Ajay Infotech

AIT0A1267

C++ Certificate - Ajay Infotech

AIT0B1267

EDUCATION:

Dr. Babasaheb Ambedkar Marathwada University, Aurangabad

Collage of Computer Science and IT, Ambajogai

Bachelor of computer science

K.P.C Yogeshwari polytechniq college Ambajogai

Diploma Mechanical Engineering

J.P.M. Madhyamic Vidhyalaya Ambajogai

HSC, Science

Yogeshwari Nutan Vidhyalaya Ambajogai

SSC, SSC
